Dealers in Antiques & Collectibles Only!

HOW TO USE THIS GUIDE!

You have just arrived in Brimfield and face a sea of dealers and merchandise. You are searching for Furniture and Sterling Silver. Begin your search by:

1. CATEGORIES: Begin your search by browsing the general category list in the column to the right on this page. Choose a category and look for the heading listed alphabetically in this guide.

2. DEALERS: are listed alphabetically under each category heading. Each dealer listing contains three columns of information. You will find the dealer's name, the name of the show (abbreviated) where they display, and their booth number.

Sample:

DEALER	SHOW	BOOTH
Furniture		
Tim's Antiques	Mays	800
Sterling & Silver Plate		
Slim's Silver	Quaker	1000

3. FINDING A DEALER: After finding a dealer in your chosen category, refer to the color show map on pages 12 & 13. Find the show's location, the opening dates, and the days the show remains open. Noting the show schedule is helpful as different shows open on different days and times.

4. OTHER HELPFUL TIPS: When you arrive at a particular show and still cannot find the dealer or merchandise you are looking for, try asking the show promoter or a fellow dealer. They can be very helpful. Remember that you can do a more detailed category search on **BrimfieldExchange.com** from the comfort of your home. Here you can search with more specific terms i.e. Czech, or Royal Doulton or Pop Culture, or you may want to locate a specific dealer by name. NOTE! Some dealers use their business names and some use their personal names. Some dealers have links from their online listing to their own website, online store or business cards.

General Information: During Brimfield week BrimfieldExchange operates an information booth located across from May's Antique Market right on Route 20. View our location on page 12 of this guide by looking for the purple spot. This booth also provides internet access, maps and complimentary trade publications.

What is PriceMiner™?

PriceMiner™ is the most comprehensive pricing tool in the world, containing data from eBay®, GoAntiques and TIAS. Combining millions of prices realized from eBay® and the leading sites for Art, Antiques and Collectibles gives you unprecedented power at your fingertips.

PriceMiner™ presents historical price data for same or similar items that you search. You get instant analysis in the form of graphs and charts including average price, number of items included in the average, range of price from highest to lowest, and a current estimate based on today's market conditions with a confidence factor.

How will PriceMiner™ help you?

PriceMiner™ is a "Value Maximizer" for people who sell, purchase or appraise art, antiques and collectibles. Whether you are a dealer, collector, appraiser or have discovered something in your attic, this is how PriceMiner™ can help:

- 1) Identify your items by viewing photos of similar items
